

ANALYSIS OF MATCH SITUATIONS - Considerations

ENGLISH

Challenges

Protect the safety of the players
Careless, reckless, excessive force
Speed / Intensity / Point of contact
Foot on the ground
Illegal use of Arms
Challenge for the ball / Possible to play the ball
Clear action or grey zone
Teamwork: Opinion / Decision / Confirmation

Penalty Area Incidents

Angle of view
Proximity
Obvious simulation = 100 percent no contact y the opponent
If not 100 percent sure, play on
Initiating or exaggerating contact
Teamwork: Opinion / Decision / Confirmation

Tactical Offenses

SPA / DOGSO
Considerations
- Control of the ball / Clear possibility to control
- Defenders / Attackers: number and location
- Distance to the goal
- Direction of play
DOGSO: All conditions must be present for obvious goal-scoring opportunity
Inside Penalty Area: **Attempt to play the ball**
Teamwork: Opinion / Decision / Confirmation

Handling

Natural or Unnatural
Hands on the body / Additional movement
Deliberate action
Taking a risk / Making the body bigger
Promising attack / Disciplinary sanction
Teamwork: Opinion / Decision / Confirmation

Reading the Game - Advantage

Football Understanding
Location and Severity of the incident
Demands of the match
Understanding what players prefer
Flexibility
Wait and see / Signal
Teamwork
Flow / Control

Offside

General

- Position / Concentration
- Teamwork / Communication
- Obvious action with impact on the ability of an opponent to play the ball
- Deliberate play vs. Save, Rebound or Deflection
- Action vs. Reaction
- Opinion / Decision / Confirmation

Interfering with Play

- Is a player in offside position?
- Play or touch the ball?
- Wait and see

Interfering with an Opponent

- Clearly obstructing line of vision
- Challenging the opponent for the ball / Immediate challenge
- Clear attempt to play the ball
- An obvious action with impact on the opponent's ability to play the ball
- Hindering / Delaying / Preventing defender from playing the ball
- Teamwork

Gaining an Advantage

- Rebound / Save
- Deliberate play
 - Player goes to play the ball = ACTION
 - Options / Can see the ball
 - Control of the body / No matter the outcome
 - Distance / Space
- Deflection
 - The ball goes to the player = REACTION
 - No options / No plan / Cannot see the ball
 - No control of the body
 - Never expect players doing nothing

Shot on goal = SAVE

Interfering with an opponent
